

2022 marks our 51st year in the breeding industry and 2023 will mark my 50th year since my first involvement with embryo transfers and training as an A.I. Technician.

My late Grandfather registered the prefix Rongamai in 1940. Breeding Jerseys and Berkshire Pigs. My late father was involved with breeding Jerseys, Angus, Red Poll Cattle, Merino Sheep and Berkshire pigs for 69 years from 1935 - 2004.

Over the next 3 years LJ Breeding Solutions will offer Australian breeders some elite Kiwi genetics.

*Kind Regards,
Lindsay Jones*
