

NGAPUTAHI R160

REG# NZE21095020R160

Registration with NZ Angus Pending.

RANKS TOP 35% BREED IN 15 TRAITS

OWNER Cameron Family, Ashurst, NZ

R160 is being retained by Ngaputahi Angus.

Ngaputahi put more commercial pressure on their genetics than most breeders within the genepool.

The Standout Yearling of the 2020 Drop at Ngaputahi.

R160 was used heavily at Ngaputahi for their 2021 Breeding Season. First Calves born average 33 kilos. Ngaputahi report the progeny were very impressive at weaning.

His Dam at 14 years of age has stood the test of time with unmatched Docility, Structure, Udder Quality, Fertility and Longevity. 12 Calves / 14 years.

Sired by Baldrige Beast Mode ranked amongst the very best in the breed for Structural Assessment on Breedplan Australian Data. 429 Progeny: Foot Angle 1%, Claw Set 4%.
